The Artech Industrial Monitor is a 15.6" industrial-grade compact LCD display solution, designed specifically for digital signage and corporate communication applications. Engineered to operate flawlessly in harsh industrial environments, this monitor offers maximum durability with its IP65-rated front panel protection and industrial stainless steel body. The power supply filter reduces problems that may arise from electrical noise, ensuring stable operation.

MAIN ADVANTAGES

- **High-Resolution Display:** Ideal for clear and sharp images.
- **24/7 Operating Performance:** Ideal for uninterrupted operations.

KEY FEATURES

- **15.6" Industrial Monitor:** Compact size suitable for a variety of industrial applications.
- **IP65 Front Panel Protection:** Offers high-level protection against dust and water.
- **Industrial Stainless Steel Body:** Ensures longevity and robust structure.
- **Power Supply Filter:** Increases system stability and minimizes electrical noise.
